TODAY

- ☐ Enroll every adult in local emergency alerts and keep a battery-powered information source.: Alerts and evacuation orders outrank website dashboards.
- ☐ Select a room, obtain filters, and test equipment before smoke season.: Label replacement filters and keep cords and exits safe.
- ☐ Include medicines, documents, water, food, chargers, clothing, N95s, and household-specific needs.: Store bags where they can be grabbed quickly.
- ☐ Drive two routes, choose a meeting point, and assign responsibilities for children, pets, and people needing assistance.: Leave immediately when ordered and earlier when conditions require.

REMEMBER

- ☐ Prepare before fire season: register for alerts, identify two evacuation routes, create cleaner indoor air, and keep medications and go bags ready.
- ☐ Follow official evacuation orders, local public-health guidance, and individual medical or veterinary advice.
